

7th Sri Lanka Conference on Science and Technology

The 7th Sri Lanka Conference on Science and Technology was convened by the National Science and Technology Commission (NASTEC) on 7 July 2014 at the Waters Edge, Battaramulla. The event was attended by 340 participants comprising Researchers, Academics in Science, and Engineers.

The Conference was convened by NASTEC in pursuance of its statutory function as set out in section 5(e) of the Science and Technology Development Act, No. 11 of 1994, which states that the Commission shall convene the *Sri Lanka Conference on Science and Technology* biennially, to provide a forum for discussion of science and technology in Sri Lanka in relation to the objects of NASTEC.

NASTEC has convened this [biennial Conference](#) (BICOST) on six occasions previously.

The theme for the 2014 BICOST was the [10 x 10 National R&D Investment Framework for 2015 – 2020](#).
